

Sustainability Questionnaire

The EAUC is keen to ensure that our Company Members and Organisations we work with share similar aims in becoming more sustainable and reducing their impact on the environment through their operations. The response to this questionnaire will inform the EAUC Trustees who have the final say on the admission/use of an organisation by the EAUC.

Until this form is completed and returned, your membership/contract/booking will not be approved. All sections of the form must be completed with as much information as possible. Please attach any files to your email.
